**TERMS AND CONDITIONS**

All sales and services will be governed by the following terms and conditions:

1. All sales on credit are net (30) days from the date of invoice, unless otherwise specified on invoice. All past due accounts are subject to interest charge at the rate of 18% per annum (1.5% per month) from the date of purchase. The accrual of payment of interest does not authorize Applicant to defer payment of any indebtedness beyond the credit terms stated herein.
2. All credit shall be established prior to shipment or delivery of goods, merchandises, or services. Credit terms are at the absolute discretion of Creditor who may terminate, alter or deny credit terms without notice and without cause, including, but not limited to, the right to revise or cancel any prior established credit line, or to require partial or full payment in cash prior to shipment or delivery of goods, merchandises, or services, if, in the sole judgment of Creditor, Applicant's financial condition does not warrant further extension of terms or credit.
3. All goods or merchandises are delivered F.O.B. at Creditor's principal place of business or warehouse or any other direct shipping point as the case may be. Creditor is not liable for any damage, loss or delay beyond the F.O.B. point.

4. The Bill of Lading and the Packing List have the quantity and description of the goods, or merchandises shipped. Verification of any shortage and/or non-conformance of the goods shipped and delivered is the sole responsibility of Applicant. Unless written notification is given to Creditor within five (5) days of receipt of shipment, any shipment so received is deemed to be in order.
5. Under no circumstances, shall Creditor be held responsible for any damage, or loss to merchandise, or any delay or failure to fulfill any order or orders directly or indirectly caused by fire, flood, riot, strike, theft, labor dispute, wreck, freight embargoes of transportation delay, inability of Creditor to secure labor or material from its usual sources of supply, acts of God, acts of public enemy, acts of Federal or State Government or its extension or agency, acts of Applicant's or its employees, or agents, including but not limited to Applicant's non-payment of its account, or any other causes beyond Creditor's reasonable control.
6. The goods sold by Creditor are the products of reputable manufacturers sold under their respective branch or trade names in accordance with their terms and conditions. Any warranty of the goods sold is a warranty extended directly by the manufacturer to the Applicant. CREDITOR GIVES NO WARRANTY, EXPRESS OR IMPLY, AS TO THE MERCHANTABILITY OF THE GOODS SOLD OR FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. However, Creditor will use its best efforts to obtain repair or replacement of such products that are defective in workmanship or material. Creditor shall not be responsible, under any circumstances, for any special, direct, indirect, or consequential damages to persons or property caused by faulty operation of merchandise sold.
7. All prices quoted do not include sales tax. Sales tax shall be added to the total amount in all cases unless exemption certification is on file with Creditor.
8. No penalty clause by the Applicant will be effective unless accepted in writing by an officer of Creditor. If there is a conflict between the terms and conditions stated herein and the provisions of Applicant's purchase order, the terms and conditions herein shall control.
9. Waiver of any default by Creditor shall not be deemed a waiver of enforcing any such right thereafter.
10. If any term, provision, covenant or condition of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall, in no way, be affected, impaired, or invalidated.
11. The validity of any terms or conditions herein shall be interpreted and construed pursuant to and in accordance with the laws of the State of California.
12. In the event of suit or any other legal and/or administrative action is commenced to enforce Creditor's legal rights, Applicant agrees to pay all necessary costs incurred by Creditor including reasonable attorney's fees, and court cost.

**PERSONAL GUARANTEE**

Creditor may change or alter the underlying terms of credit, underlying terms of a debtor, or any other matter which may pertain to Creditor and Applicant.

Creditor may seek payment from the undersigned even though Creditor declines to undertake action against Applicant, or any other person, or any estate. Creditor may give applicant additional time to pay any debt, waive Creditor's claim against any other person or Applicant, add or subtract any one of the undersigned as a guarantor or release collateral, if the same exists, and the undersigned shall still be bound to pay Applicant's indebtedness.

The undersigned's guarantee is continuing. Each of the undersigned remains liable on this form of guarantee even though one or more of the undersigned are no longer associated with Applicant. This form of guarantee can only be revoked by the undersigned, who wishes to revoke this guarantee, by giving written notice to Creditor's credit department, by personal or certified mail, return-receipt requested, a notice of revocation.

The undersigned hereby authorizes Creditor to obtain information from any source deemed necessary to establish Applicant's credit, including investigating the personal credit worthiness of the undersigned. Further, the undersigned hereby instruct any such source to provide such information as Creditor may request from time to time.

In the event of the delinquency of any obligation owed by Applicant to Creditor and suit or any other legal and/or administrative action is commenced for the collection of Applicant's account or to enforce any legal rights of the Creditor, the undersigned agrees to pay all necessary costs incurred by Creditor including reasonable attorney's fees, and court cost.
